**The Honourable Speaker, Nigerian House of Representatives

Nigeria**

Atten: Hon. Dogara Yakubu.

Dear Sir,

**APPRECIATION TO THE NIGERIAN HOUSE OF REPRESENTATIVES ON THE
PASSAGE OF THE BILL OF CHARTERED INSTITUTE OF FORENSIC AND
INVESTIGATIVE PROFESSIONALS OF NIGERIA [CIFIPN], BY THE
INTERNATIONAL INSTITUTE OF CERTIFIED FORENSIC ACCOUNTANTS INC,
USA [IICFA].**

On behalf of the Governing Board, of the **International Institute of Certified Forensic Accountants INC, USA [IICFA]**; I wish to heartily congratulate the Honourable Members of the Nigerian House of Representatives on the passage of the Bill of **Chartered Institute of Forensic and Investigative Professionals of Nigeria [CIFIPN]**.

We received the News on the passage of the Bill with Great Joy, knowing that Nigeria is a Great State in Africa that Most, if not the whole Africa in particular, and the Globe in general, looks upon to always take the lead in the Africa sub-region, on matters concerning Anti-fraud and Corruption, which in the meantime is the thrust of the current Government in Nigeria, that have in no mincing of words, been demonstrating her **ZERO-Tolerance-to-fraud-and-corruption policies** over the past few years and counting.

Suffice it to say that we at the IICFA, INC USA, are ever willing to lend a hand of cooperation, fellowship and technical assistance to the Institute in this new, novel and developing area globally on the fight against fraud and corruption, in entrenching the much desired good governance.

CONGRATULATIONS NIGERIA
